#1 Petition In Opposition to the City of Madison's Sauk Creek Greenway Reconstruction Project & Removal of Trees

SCAN ME

We are in favor of environmentally friendly stormwater improvements to the Sauk Creek Waterway. However, any improvements must be developed with full public disclosure and input. Such a plan should be consistent with sustainability objectives and not cause significant environmental damage to the 5,595trees and habitats of birds, bats and vegetation in the unique 26.4-acre woods and 1 mile waterway corridor.
